Ferryhill students enjoy an "Autobots" themed walk

Competition winner, Kieran Potts, his fellow pupils at Dean Bank, and Optimus Prime or (when he's powered down) Dave Elliot-Cooper from the Histrionics drama company.

Pupils from Dean Bank Primary School in Ferryhill had their usual journey to school transformed with

the help of a special guest. Kieran Potts, six, won a MEGA Motion competition to decide on the theme of

the special walk by writing about making his way to school with Optimus Prime. As his prize, Kieran and his classmates were joined by none other than the heroic leader of the Autobots to help them dodge Decepticons as they walked, cycled and scooted to school.

Once there, the pupils enjoyed a special assembly from Optimus, highlighting the 'prime' benefits of healthy and environmentally friendly ways of getting to school.

The special day was the latest Durham County Council supported MEGA Motion event.

The campaign aims to encourage children to walk, scoot or ride to school to make them aware of the health and environmental benefits from an early age. As well as the fun walks, pupils earn points every time they use sustainable travel to get to school, aiming to collect enough points to become MEGA heroes by the end of the year.

New film at Chilton Community College

A new film will be shown at Chilton Community College Film Club.

St Vincent is about a single mother called Maggie (Melissa McCarthy) who moves into a new home in Brooklyn with her 12-year old son, Oliver (Jaeden Lieberher).

Forced to work long hours, she has no choice but to leave Oliver in the care of their new neighbour, Vincent (Bill Murray), a retired curmudgeon with a desire for alcohol and

gambling. An odd friendship soon blossoms between the improbable pair. The film will be shown on Friday 20th May at 6pm.

Only adults are allowed and non-members pay £4 (members pay £3 and it's £1 to become a Film Club member). If interested, give the Film Club a ring on 01388 720911 between 5.30pm and 8pm on a weekday or email at chiltoncollegenew@gmail.com so organisers know how many to expect.

Drop in PCSO surgery at St Luke's

PCSO Tom Gilks will be holding a drop in surgery for locals to meet him and discuss any issues at St Luke's Centre, St Luke's Church.

This will take place during the Friday Lunch sessions and local residents are welcome to join Tim for an

informal chat.

The surgery will last from 12pm-1pm (operational requirements permitting) and will take place on the following Fridays: 13th May, 27th May, 10th June, 24th June, 8th July, 22nd July, 5th August, 19th August and 2nd September.

FBEC students promote the legacy of Anne Frank

FBEC students did a fantastic job representing the school as they worked tirelessly through two days of workshops with the Anne Frank Trust. The pupils are hoping to educate primary school children about Anne Frank's legacy.

Ten inspirational Year 8 and Year 9 students from Ferryhill Business and Enterprise College have taken up roles as Anne Frank Ambassadors and have worked through two days of conference workshops with the Anne Frank Trust in Newton Aycliffe. The students represented the school in an extremely positive manner and worked tirelessly alongside students from Greenfield Community and Arts College with the aim of creating a presentation for primary school pupils about the legacy of Anne

Frank.

Students spoke positively of the two days, with one claiming that it was important to pass on the message of the Anne Frank Trust to show that "anyone can be a hero."

Students had the opportunity to work with a Holocaust survivor, who offered an insightful view into the human tragedy of the Second World War.

Student, Ellie Cook said: "It was a different opportunity for me and I enjoyed it because it's what we are learning about in history lessons."

Many students spoke of the opportunity it has given them to meet new people and see something they wouldn't have normally seen if they hadn't volunteered for the project.

Ellie Walton said: "I would recommend it to others because it is an amazing experience."

The students will now continue in their roles as Ambassadors, creating an exemplary presentation for primary school students and would like to thank Mr McCavanagh and Mrs Simpson for organising and supervising the event.

Get fit with a free wellbeing course

Residents in both Ferryhill and Chilton who want to drop a clothes size or two in preparation for the summer months are in luck!

As well as the service in Chilton Community College (mentioned in issue 775 of the *Chapter*) there is another local *Eat Wise to Drop a Size* group at Dean Bank Institute.

The service is completely free and designed to help local people get out of their homes and learn more about living a healthier

lifestyle. The group meet on a Wednesday from 5-6.30pm to support each other and learn about a number of health and wellbeing issues including weight loss, healthy eating, gentle exercise, how to stop smoking and how to increase confidence.

Techniques are also offered in stress management.

Interested readers can contact Laura Birkin on 07827 957615 to book a place or to find out more information.

Changes made to bus timetable

From 15th May, there will be new bus timetables.

The following buses in the Ferryhill and Chilton areas will have renewed timetables: The Arriva 7, 8, 8A, 21 (at Rushyford), 21A and 56 (there is a new timetable for the 56 but times are very similar to the previous timetable).

Scarlet Band 33 is Cancelled and the 113 is being revised.

The new 113 timetable will replace the current 113 and the current 33 Ferryhill - Sedgfield bus after it will be cancelled on 15th May.

However, the current

Bishop Auckland - Ferryhill 113 will be extended from Bishop Auckland to Sedgfield.

The County Durham website cover page for bus information has access to the new timetable, but the timetable list options will not yet have the new timetable.

At this time, the Scarlet Band website does not yet have the new 113 timetable.

Some of the new timetables will still require a change of bus.

Visit www.durham.gov.uk/busmap for more information.

Officers ask County Councillors to dismiss 2,700 TA staff

Durham County Councillors are being asked to agree recommendations to terminate the contracts of its 2,700 teaching assistants at an Extraordinary meeting on Monday 16th May. The council's recommendations to cut the pay of teaching assistants by, in some cases up to 25%, were overwhelmingly rejected by teaching assistant staff in consultation with unions and the council, with 99.7% of staff voting against the proposals. Councillors are however poised to force staff onto term-time only contracts which, officers say in the report, is necessary to avoid equal pay claims from other council employees. However, it is claimed by teaching assistants that with some staff set to lose up to £5,000 from pay packets, families budgets will be hit by as much as £400 a month. The majority of staff, they say, will return to pay levels of ten years ago,

while the recent rise in National Insurance contributions is already having an additional financial impact. Teaching assistants also claim that the decision is unfair as they are limited to the same working conditions as teachers and have always been employed on a salary, meaning they are already paid to the value of the work they do. Officers have now recommended that councillors approve a decision to enter into a formal dismiss and re-engage process which will see all teaching assistant contracts terminated and offered again at the lower terms. If the recommendations are passed by councillors, the dismissal and re-engagement process is expected to begin almost immediately, from 23rd May 2016, with changes to terms and conditions expected to be implemented in January 2017. Trade Unions have said in talks, the report states,

that should the decision be approved, their members will be balloted to determine whether industrial action, including strike action should be taken. The full report to cabinet is available in pdf format by visiting the link to Durham County Council's website posted on the Chapter Facebook page, where one person who could be affected by the decision said: "When asked why [teaching assistants] can't have flexi time, overtime or holidays during term time the council state that it's due to the type of work we do, work we received a salary for as we do not receive the same benefits of other council employees. I fail to see the fairness and equality this will bring!" Another highlighted that the money saved remains within the school budget adding: "So there is no reason why Headteachers cannot state they wish to keep our wages the same."

Man admits to two out of three charges

One half of a Ferryhill couple involved in a dispute with a pizza takeaway boss admitted to charges of assault occasioning actual bodily harm and criminal damage, but denies racially-aggravated assault. David Lowes was accused of racially abusing a pizza takeaway boss 16th October last year after a feud escalated. Lowes' girlfriend, Joanne Wigham, allegedly confined the victim near his car and helped her partner to "thump" him, telling the victim that he would be killed if he returned to Ferryhill. It is believed that the incident took place as a result of the tensions felt between the pizza boss and the couple, after Wigham blamed the victim for sacking her from Siciliano's takeaway in Darlington Road. The court was told that when a witnesses tried to intervene, Lowes responded by swearing and

Wigham shouted: "He got us sacked". Lowes said that the victim had been provoking and advanced towards his partner with a "nasty look on his face". He was also accused of swearing and make an offensive hand gesture to Lowes. He added: "I did not want to seem like a pussy. He provoked us. That's why I did it. He was laughing at us. I am genuinely sorry about the whole incident, but not at any point did I use any racist language." Judge Paul Newcombe, prosecuting at Teesside Crown Court described 37-year-old Lowes as a mild-mannered fellow and said he "saw red". More recently, 35-year-old Joanne Wigham was found not guilty by Judge Simon Phillips QC of charges of affray, racially aggravated assault and assault occasioning actual bodily harm. The jury will now deliberate over the the remaining charge faced by Lowes.

New Woodcrafts workshops

Endeavour Woodcrafts CIC, the Ferryhill-based day service that provides training and education in woodwork and art for adults with learning disabilities and mental health issues, has launched new Saturday workshops at The Old Fire Station, Darlington Road, Ferryhill. The first Saturday workshop is on 14th May from 9.30am to 10.30am or 10.45am to 11.45am and is a parent and child bird box making workshop. Tickets to enjoy this workshop cost £15 per child and an adult must accompany each child. Light refreshments and materials are included. A spokesperson said: "This is a wonderful activity for parents and children and a bird box makes a great Father's Day gift!" On Saturday 21st May from 10am-2pm, there is a Lino

Print Workshop for beginners. Tickets cost £25 per person and a light lunch and materials required are included. A spokesperson said: "Come and design and make a printing block and produce your own set of individual hand-crafted greeting cards." On Saturday 28th May from 10am-1pm a beginner-friendly Up-cycled Chair Workshop will take place. Tickets are priced at £30 per person and tea and cake, alongside materials required for the workshop, will be provided. A spokesperson said: "Come and join us and learn how to transform an old chair into an exciting new piece of furniture to take home." To book tickets, contact Joanne Hall on 075831 26005 or Louise Killip on 07531 383301.

Walk your way to health and fitness

Something as simple as walking for 30 minutes a day can improve your health and reduce your risk of disease.

Residents in Ferryhill and Chilton who are looking to lose weight via gentle yet effective exercise can take the first step to health and fitness by joining one of Durham County Council's walking activities.

The Council have teamed up with the Everybody Active North East Campaign (a collaborative project with Public Health England North East and twelve North East councils) to showcase a series of walking activities this year to promote increased activity across the population.

Statistics show that one in five people do less than thirty minutes of physical exercise per week.

Councillor Lucy Hovvels said: "Regular physical activity is one of the most important things you can do to improve your health. "Throughout May, we will be highlighting the various opportunities to walk in and around County Durham.

"We will offer the Walk4life programme, which is

a series of short led walks to encourage everyday activity, to longer countryside guided walks and promoting active travel.

"There really is something for everyone."

Research suggests that regular physical activity can reduce the chance of developing type 2 diabetes, cancer, dementia and depression.

It can also prevent joint and back pain.

A full calendar of Durham County Council's activities that are part of this month's campaign can be found at www.durham.gov.uk/walk4life.

Councillor Hovvels added: "Being active makes you feel good and it's never too late to start.

"Something is better than nothing and by starting small and doing just ten minutes at a time is enough to provide benefits."

More feline workshops in Ferryhill and Chilton

Caroline Burden, a representative of a national charity that protects cats, who visited schools in Ferryhill and Chilton to improve understanding of the needs of cats through education (mentioned in issue 776

of the *Chapter*) wishes to elaborate on the charity's work. Caroline said: The support from teachers in the local schools has been great and each class I worked with had so much enthusiasm.

"By helping children to become more aware of the needs of cats and how to look after them, we work to promote responsible pet ownership and the importance of respecting cats and all animals."

Caroline's work with primary schools across Ferryhill and Chilton (helped by Glenys Newby from Approach Too) has been such a success that more will be planned to coincide with National Black Cat Day. Learning for adult community groups is also in the pipeline.

Anyone who would like to arrange a workshop or learn more can email caroline.burden@cats.org.uk.

Locals to have their say on Ferryhill Neighbourhood Plan

Preparation of the Ferryhill Neighbourhood Plan is underway and local people are invited to give their views on what they think Ferryhill needs.

A Neighbourhood Plan sets out the community's views on the development and growth of their local area. This includes setting policies on where development should go, how development is designed, or to give permission for certain types of development.

Typical things that a Neighbourhood Plan might include are the community's views on housing, businesses, schools, transport, employment, renewable energy, regeneration, heritage, parks, allotments, places of worship, facilities for sport, leisure and entertainment, play areas, parking and community buildings, amongst many others.

Unlike a Town Plan of the past, a Neighbourhood Plan becomes a legal part of the planning system. Once a plan is made, and it has

been adopted by Durham County Council, it becomes a part of Durham County Council's Local Plan for the area and must be considered in the approval of planning applications.

The second of the five stages of the plan is currently in progress and this stage focuses on community engagement. A volunteer on the Neighbourhood Plan Steering Group said: "This is a huge opportunity for the people of Ferryhill to create a vision for our area and to make Ferryhill an even better place to live. Community engagement is at the heart of the plan, so it's really important that

as many people as possible take part.

"Information on forthcoming community engagement events and methods will be widely publicised so that no one misses out on the chance to have their say."

The Steering Group is still looking for representatives from the business sector in Ferryhill and also for a volunteer with graphic or web design skills. For up-to-date news and to get involved, visit Ferryhill Town Council's website, join the Ferryhill Neighbourhood Plan Facebook group, or contact Derek Snowball on 01740 652157 or at dsnowball@ferryhill.gov.uk.

Information appeal

Between Friday 29th April and Tuesday 3rd May unknown persons have entered the school yard of Dean Bank Primary School and caused extensive damage to a playhouse. The nursery children who use this facility were extremely

upset when they returned to school after the bank holiday weekend to find their playhouse out of use. CCTV cameras are now in place but if anyone has any information, contact Ferryhill Neighbourhood Policing Team on 101 ext. 744721.

Letters

Have your say...

Dear Motorists,

We are Ferryhill Station Primary School's School Council. On Thursday 28th April we were outside our school with PCSO David Evans and Glenys Newby from Approach Too checking if people were going at the right speed, which some weren't. We are disappointed that we caught eight people driving at more than 35mph.

We are writing this letter to ask everyone to keep to 30mph when driving around our community. It is not safe for younger children to be crossing the road while there are speeding cars. There is a SureStart Centre next to our school and they could get run over if there are speeding cars around.

In the future, we would like everyone to slow down so there aren't as many hazards to children. Remember if you speed it could lead to a fine and penalty points. Please change the way you are driving for the sake of others.

Yours faithfully,

Ferryhill Station Primary School's School Council.

Entertainment for summer half term

Ferryhill Town Council have arranged for Pat's Puppets to visit Ferryhill Library on Thursday 2nd June from 2pm - 3pm. The session is suitable for children aged from three years to eleven years and is free of charge.

A spokesperson said: "So why not bring your

children along to join in the fun?"

A free leaflet advertising the programme of events organised by Ferryhill Town Council, in partnership with Ferryhill Branch Library, for the 2016 school holidays is available from Ferryhill Library and Ferryhill Town Hall.

Mainsforth CC take another twenty point haul

On Saturday 7th May, Mainsforth 1st XI welcomed Blaydon CC to Morrison Terrace.

It was a bitterly cold day and Mainsforth skipper Nigel Milner once again won the toss and invited Blaydon to bat first.

The home side's opening bowlers, J Barnes and R Hawthorne immediately had the Blaydon batsmen in trouble and wickets fell at regular intervals.

Hawthorne finished with figures of 4-30.

Club professional Shoaib Laghari claimed 4 wickets for 32 runs and the miserly Barnes returned figures of 15 overs, 5 maidens 1 wicket for 23 runs.

Blaydon were eventually bowled out for 90.

In reply, Mainsforth reached their target off

27.2 overs, for the loss of just four wickets with Matthew Brown top scoring with 25.

The win gave Mainsforth another 20 point haul and now leaves them second in the table, only three points behind leaders, Sacriston.

The 2nd XI travelled to South Shields, who won the toss and elected to bat.

The home side racked up 230-7 declared and in reply Mainsforth were all out for 101.

On a beautiful sunny Sunday afternoon the 3rd XI entertained Eppleton CC.

Eppleton won the toss and batted first setting a challenging total of 196 all out. The highlight of Mainsforth's bowling was 12-year-old Connal Marron

claiming his first senior wicket.

In reply Mainsforth were 128 all out with Kevin Strange top scoring at 52.

This Saturday, 14th May, the 2nd XI are at home to Brandon, whilst the 1st XI travel to play the same opposition.

On Sunday the 3rd XI are away at Sunderland CC.

On Friday 20th May the cricket club is hosting a sportsman's evening at the ground.

Guest speaker is ex-Newcastle footballer, Steve Howey. There is also a top comedian, Josh Daniels and a pie and peas supper.

Tickets for the event are priced at £20 per head and can be reserved by contacting Andy Dawson on 07702 060211 or Tom Stoddart on 07850 187698.

Cheryl Avery wins again

On Sunday 8th May at Darlington's Dolphin Centre, International Body Building and Fitness Association (IBFA) held their annual Mr County Durham show.

This year's show was in memory of Ferryhill's Derek Browning, who ran Allsports Fitness Centre in Ferryhill and passed away in October 2015.

Sue Hall, Derek's former partner and now the owner of Allsports Gym, donated a memorial trophy to the show to be given to the most promising new body-builder.

Lee Wheeler from Nuneaton was the first winner of the Derek Browning trophy.

However, Cheryl Avery, who trains at Allsports Gym, and who was also competing in the show, won first place in the Miss 'Toned Figure' category, which put her in the overall competition with winners from each class, only to win that competition and be crowned Miss County Durham Overall.

Cheryl posed to Derek's Music (Juke Box Hero) which brought the house

down and bought tears to the eyes of almost everyone in the room.

"Beautifully artistic" and "mesmerising" were some of the comments from the audience.

Cheryl said: "I would like to thank everyone for such a fantastic day, including my husband, Stephen, for his constant support and my coach, Sue Hall, for her expertise."

FBEC District Athletics success

A number of students from Ferryhill Business and Enterprise College competed in the District Athletics at The Riverside Stadium, Chester-Le-Street.

The students were a credit to the College with some

fantastic performances.

A spokesperson said: "Well done to Chris Milburn who, in winning the junior boys hurdles, set a new Central Durham Athletics record, and Callum Harron Jones for winning the Intermedi-

ate Boys 100m.

"We had a number of second and third place finishes from Aiden Forster, Daniel Smith, Harrison Webster, Chris Milburn and Lewis Pearson.

"A big well done to all."

Places available on Butterwick's It's a Knockout fundraiser

Butterwick Hospice at Bishop Auckland is once again hosting a fun, foamy, team building, challenging event known as *It's a Knockout* to be held on Sunday 5th June 2016 at Witton Castle Country Park, Witton le Wear.

This is the third year the owners of the park, who are keen to help the local community as well as have different activities for their residents, have hosted the event in aid of Butterwick Hospice.

As part of the day there will also be a free family fun day for those watching friends and family taking part which will also be open to the general

public. Donations on the gate are welcome.

A spokesperson said: "We only have five places available for teams of 10 people to take up the challenge of a series of fun, foamy and inflatable games, which are reminiscent of the 1970's television show.

"Teamwork is the key to winning the most points and this year we are encouraging teams to take part in fancy dress.

"This could be anything from an 80's theme, the Wild West or characters

from TV and Film.

"So theme your team and as an extra incentive the best dressed team will win a prize!"

"The team registration fee is £10 per person and we ask all team members to try to raise £50 each in sponsorship."

If you would like to book your place go to www.butterwick.org.uk/events/itsaknockout2016 or for more information contact helenkirby@butterwick.org.uk or telephone 01388 603003.
